

Health & Safety and Environmental Policy

Promec Engineering Ltd recognises that the disciplines of Health and Safety and Environmental are an integral part of its management function. The company views these as a primary responsibility and to be the key to good business in adopting appropriate Health & Safety & Environmental Standards.

The organisations Environmental, Health & Safety policy calls for continuous improvement in its Health & Safety & Environmental management activities and business will conduct according to the following principles:

We will:-

- Comply with all applicable laws and regulations
-
- Follow a concept of continuous improvement and make best use of its management resources in all matters of Health & Safety & Environmental.
- Communicate its objectives and its performance against these objectives throughout the organisation and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and subcontractors and others who come into contact with our work. When CDM apply all aspects will be covered within our systems to ensure safe working.
- Work closely with our customers and suppliers to establish the highest Health & Safety & Environmental standards.

- Adopt a forward-looking view on future business decisions that may have Health & Safety & Environmental consequences.
- Train our staff in the needs and responsibilities of Health & Safety & Environmental management.
- Assess all risks in Health & Safety & Environmental areas of our work and aim to eliminate this risk or minimise so safe working is to at least.
- Record, monitor, review and act on all of the above points to ensure continuous improvement.
